# Beijer Ref acquires A/C distributor in Italy

**Beijer Ref has acquired 75 percent of the shares in Idema, an A/C distributor in Italy, with an option to acquire the remaining shares. Idema has an annual turnover of approximately SEK 200 million, with good profitability.**

The company was founded in 1993, is headquartered in Northern Italy, and distributes primarily air conditioning solutions for residential and industrial applications in Italy.

The company will continue to operate under its own brand. The acquisition is expected to have a minor positive impact on Beijer Ref's results.

**Christopher Norbye, CEO Beijer Ref, comments:**

"Idema is a well-established distributor in the region. The acquisition supports our strategy to expand our market presence and create long-term synergies. We look forward to working with the existing management team."
