

*G & L Beijer is a technology-oriented trading Group which, through a combination of added-value agency products and products of the company's own development, offers competitive solutions for its customers within refrigeration and air conditioning.*

## *News release from the G & L Beijer Group*

### **Publication of change in the total number of outstanding shares and votes in G & L Beijer AB**

As of 29 June 2012, the total number of shares in G & L Beijer AB amounts to 42,478,230, of which 3,306,240 are series A shares and 39,171,990 series B shares. The total number of votes amount to 72,234,390.

The reason for the change is the implementation of the share split decided by the Annual General Meeting on April 26, 2012, which means that each share was split into two shares of the same class.

*The information in this press release is such that the company shall make public in accordance with the Financial Instruments Trading Act.*
