Lumera appoints Susanne Lindqvist as Chief Financial Officer

Brings experience from listed companies to strengthen Group Management.

Stockholm, November 18, 2025 – Lumera, a leading insurtech company dedicated to the digital transformation of the European Life and Pensions industry, has appointed Susanne Lindqvist as Chief Financial Officer (CFO).

Susanne has extensive experience as a CFO and business executive, most recently as CEO of 7A Sevena, an operator of coworking spaces and conference venues. Previously, as CFO at Transcendent Group, she played a key role in the company's IPO.

This recruitment represents an addition to Lumera's finance function, as former CFO Therese Hennerberg remains with the Group in the newly created role of Head of Group Finance.

“We are thoroughly pleased to have recruited Susanne. She will be a key contributor as we adjust to performing as a listed company in terms of accounting and financial reporting,” says Jonas Alfredson, CEO, Lumera Group.

Susanne Lindqvist holds a Master of Business Administration degree from Stockholm University. She also has several years of experience as a consultant and accountant with EY. Susanne currently serves on the Board of Directors for Bitio, an IT consulting firm.
