CHANGE IN OUTOKUMPU FINANCIAL REPORTING PRACTICES

Outokumpu intends to follow the recent changes to the Finnish Securities Markets Act allowing reduced reporting requirements. Consequently, the first and third quarter reports will no longer cover the full extent of the IAS 34 standard. While this will condense the reports, Outokumpu continues to disclose all the relevant information in its quarterly reporting.

Outokumpu Group

Outokumpu is a global leader in stainless steel. We create advanced materials that are efficient, long lasting and recyclable – thus building a world that lasts forever. Stainless steel, invented a century ago, is an ideal material to create lasting solutions in demanding applications from cutlery to bridges, energy and medical equipment: it is 100% recyclable, corrosion-resistant, maintenance-free, durable and hygienic. Outokumpu employs 11,000 professionals in more than 30 countries, with headquarters in Espoo, Finland and shares listed in Nasdaq Helsinki.
