MHI Vestas Offshore Wind has entered into a conditional agreement for an offshore project

MHI Vestas Offshore Wind A/S has signed a conditional agreement for the supply of wind turbines for an offshore project not materially above Vestas' announcement threshold for offshore projects of 800 MW.

The project is to be delivered by MHI Vestas Offshore Wind and will not enter into the order backlog of Vestas Wind Systems A/S.

If and when the project translates into a firm and unconditional order, Vestas Wind Systems A/S will disclose a company announcement about this.
