

## Fiven AS: Amendment to Q1 2021 bond reporting released on 2021-05-25

The [first quarterly report for 2021](#) by Fiven AS, released on 25 May 2021, has been amended to reflect a misprint of the Alternative Performance Measure Adj. EBITDA (page 22).

The table illustrating adjustments to EBITDA incorrectly listed other non-recurring items of EUR -584 thousand and IFRS 16 effects of EUR 333 thousand. The correct amounts for other non-recurring items and IFRS 16 are EUR 83 thousand and EUR -333 thousand, respectively. The report has been amended to reflect the misprint and an updated version of the table is provided below.
