

## **Fiven ASA announces applicable redemption premium for redeeming its outstanding EUR 70m bonds**

As announced on 27 November 2023, Fiven ASA ("**Fiven**") will redeem its outstanding EUR 70,000,000 senior secured sustainability-linked floating rate bonds with ISIN SE0016075196 (the "**Bonds**") in advanced on 21 December 2023 (the "**Redemption Date**").

Fiven has met the sustainability performance target for each relevant KPI on the relevant target observation date (being 21 November 2023) and no sustainability-linked redemption premium shall therefore be paid on the Redemption Date (in accordance with Clause 9.4 (*Sustainability-Linked Redemption Premium*) of the terms and conditions of the Bonds). The total redemption amount for each Bond shall as a result be 100.685 per cent. of the nominal amount plus accrued but unpaid interest up to (and including) the Redemption Date.

A Sustainability Performance Action Plan Review (as defined in the terms and conditions of the Bonds) has been published as of today and is available on the Issuer's website.
