## Management change at Catena

*Catena's Regional Manager for Malmö and Jönköping, Christian Berglund, has decided to leave the company for a new assignment outside Catena.*

As Regional Manager, Christian Berglund has since his appointment in January 2016 in connection with Catena's acquisition of Tribona, focused on development and expansion, particularly through new construction and project development.

*"Being part of Catena's journey has been both rewarding and intensive. I am proud of what we have achieved and am highly confident in the company's expertise to continue its rapid development with a high level of service,"* says Christian Berglund.

Christian's employment will end in the first quarter of 2019, and the process of finding a replacement will commence soon.

*"We thank Christian for his great commitment. He has applied his considerable knowledge to help Catena develop as a company played a crucial role in Catena's growth in the Malmö region. We wish Christian the best of luck in his future endeavours,"* says Benny Thögersen, CEO of Catena.

With the start of the new year an already decided change will be implemented when responsibility for Region Jönköping will be assumed by Johan Franzén, Regional Manager Göteborg.
