

Catena welcomes new Regional Manager East

Pierre Mazeret has been appointed as the new Regional Manager for Region East at Catena.

Pierre has a long and solid background in the real estate industry, most recently from Fokus Nordic, where 2023 he has been responsible for managing foreign clients' property portfolios in Sweden. Prior to that, Pierre worked for many years at Newsec with strategic and financial management – first as a Property manager, then as a Client Manager, responsible for management, maintenance, and strategic development of a larger portfolio with several clients.

“We are very pleased with the recruitment of Pierre. With his expertise in property management and his leadership experience, Pierre has every opportunity to lead our skilled organization on site and continue to successfully develop Region East,” says Catena’s Head of Property Johan Franzén.

Catena’s Region East currently comprises 864,000 square meters of logistics space and covers all of northern Sweden and the Stockholm/Mälaren region, as well as areas of operations in cities like Norrköping, Linköping, Örebro, and also in Karlstad.
