

ContextVision – new CFO appointed

Stockholm, January 12th, 2022 – ContextVision, the world's leading Image enhancement provider is pleased to announce the appointment of Markus Hökerberg as an interim Chief Financial Officer, effective 25th of January. He succeeds Ann-Charlotte Linderöth, who will take on the same role at Inify Laboratories, a spinoff from ContextVision. Mrs Linderöth will remain within the company during a period to ensure a seamless transition.

Mr Hökerberg previously served as Chief Financial Officer at SIWI (Stockholm International Water institute) and prior to his time at SIWI, he held diverse roles in finance and accounting at IFL, Teracom, Eltel and Aleris. He received bachelor's degree in business and accounting from University of Stockholm.

In Mr Hökerberg's role as CFO, he will oversee financial reporting, accounting, tax, treasury, risk management and financial planning and analysis.

Fredrik Palm, the Company's Chief Executive Officer, commented, *"Great to have Markus being part of the ContextVision team and we look forward to benefit from his experience in our exciting growth plans for the future"*.

"I am excited to step into the CFO role and be part of the ContextVision team. I look forward to help the Company to execute its strategic plan and deliver value for its shareholders", said Mr. Hökerberg.
