### **About Observe Medical**

Observe Medical is a Nordic medtech company that develops, markets and sells innovative medtech products for the global market. The Company is committed to improving patient welfare and patient outcomes, improving clinical data accuracy and promoting positive health economics.

The Company seeks to drive growth by leveraging its expertise in sales and commercialization of its broad portfolio of medical technology products, mainly in urine measurement, ultrasound, anesthesiology/ICUs, surgery and wound care, in combination with targeted M&A.

The Company is headquartered in Oslo, Norway, with additional offices in Narvik (Norway), Gothenburg (Sweden), Oulu (Finland), and Seattle (the US). In addition, Observe Medical has a direct sale organization in the Nordics and a distributor network internationally.
