# Scandinavian Biogas welcomes St1 as new major shareholder

**Stockholm December 9, 2022**

Scandinavian Biogas has today received information that St1 during the recent days has acquired a total of approximately 14% of the shares in Scandinavian Biogas.

St1's vision is to be the leading producer and seller of CO<sub>2</sub> - aware energy.

"We welcome that an industrial player like St1 shows interest in Scandinavian Biogas and becomes a new major shareholder.", says Matti Vikkula, CEO of Scandinavian Biogas.
