

Press release, 6 November 2015

Change in Semcon's group management

Johan Darsbo, President of business area Engineering Services International, has chosen to move to a position outside the industry. He will leave Semcon on 30 November 2015.

"We would like to thank Johan Darsbo for his commitment and contribution to the development of our international business and wish him well for the future," says Markus Granlund, CEO and President.

Markus Granlund will take over the responsibility as President of business area Engineering Services International.
