

**Market update**  
3 November 2022

New market update: November 2022

Concordia Maritime has published a new market update. The report is available at [www.concordiamaritime.com](http://www.concordiamaritime.com). In addition to commentary from CEO Erik Lewenhaupt, it also contains data and statistics regarding both rates, ship values and the development of the global product tanker fleet as well as the demand for oil and the development of inventory levels.

The ambition is to publish the report at the beginning of each month.

**For more information, please contact:**
