

KLAR Partners funds complete acquisition of ISS Kanal Services

Funds advised by KLAR Partners Limited (“KLAR Partners” or “KLAR”) have today completed the previously communicated acquisition of ISS Kanal Services, Switzerland’s leading player within underground infrastructure maintenance (“UIM”). The company is KLAR Partners’ first acquisition in Switzerland.

“We are very pleased to have completed the acquisition of ISS Kanal Services. We look forward to working closely with the skilled employees and management to build Europe’s leading UIM service provider.” said Florian Bandel at KLAR.

ISS Kanal Services offers underground infrastructure maintenance services in a resilient market across eight locations in Switzerland. The company’s services consist of UIM cleaning and maintenance through flushing and inspection, as well as UIM maintenance and repair.
