NCC signs asphalt contracts in Norway for SEK 180 million

NCC has signed two contracts with Innlandet County Municipality for the paving of municipal roads in the region. The order value of the contracts totals approximately SEK 180 million.

The maintenance of Norway's local and regional road networks has been neglected. NCC's assignment will improve road standards while increasing road safety and accessibility. The contracts include milling, repair and paving works, as well as preparations for new speed bumps.

The contracts refer to the following routes:

- Gudbrandalen. Valdres. Norra Østerdalen
- Rendalen. Engerdal. Trysil

Work will commence in May and is scheduled for completion in mid-October 2026.

The order value of about SEK 180 million will be registered in the first quarter of 2026 in the Industry business area.
