SIBS Completes Rights Issue of SEK 600 Million

The rights issue announced on 30 June 2026 has been completed, strengthening the Company's financial foundation for its next phase of growth.

On 30 June 2026, SIBS announced that it had secured commitments for a rights issue of SEK 600 million. SIBS hereby announces that the rights issue has now been completed.

"The completed rights issue is an important step in strengthening SIBS's balance sheet. I would like to thank our shareholders for their support and confidence. It allows us to focus fully on executing our projects and delivering for our customers," Erik Thomaeus, CEO, SIBS.

The capital raised strengthens the Company's financial position and supports continued execution of its strategy, including project delivery, customer commitments and long-term international expansion.

SIBS was founded in 2016 and is today one of the world's leading modular building manufacturers. With an annual scalable capacity of up to around 6,000 homes, or 12,000 modules, SIBS delivers sustainable, high-quality buildings adapted to local conditions. The company's industrialized platform enables a wide range of applications, from residential housing to community buildings. SIBS has the entire integrated value chain for industrial construction within the group, including design and configuration in its own building system, industrial production in its own factories, and onsite assembly and finalization. Through digitalization and advanced technology, SIBS sets a new standard in the construction industry. SIBS' bond is listed on Nasdaq Stockholm. Read more at www.sibs.se.
