
Anders Nordmark new Mill Manager at Setra Rolfs

Anders Nordmark has been appointed Mill Manager for Setra Rolfs in Kalix. His current position is CEO of Stenvalls Trä in Piteå.

Anders Nordmark has an M.Sc. in mechanical engineering, a solid background in the industry and long experience of developing sawmills and processing. In recent years he has been CEO of Stenvalls Trä which has been going through an intense expansion phase. Previously he has worked among other places at SCA in positions as business development manager at SCA Timber and business area manager at Munksunds sawmill.

“Considering the industry experience and merits that Anders has, this recruitment makes a significant contribution to the continued development of operations in Kalix,” says Jonas Björnståhl, Production Director.

Anders is expected to take up his new position on 1 April when he takes over from Hans Liljeström, who has become Mill Manager for Setra Malå.

Setra Rolfs is a redwood sawmill with integrated processing. There are approximately 60 employees at the unit which has an annual production of almost 70,000 cubic metres.

There are eight sawmills and three processing units in Setra Group.
