

Nexcom improves EBIDTA outlook for 2022

Copenhagen Aug. 5th 2022

Company announcement 14-2022

This communication contains inside information regulated by the European market abuse regulation, (MAR).

In company announcement 13-2022 Nexcom informed of the completion of securing a capital increase with subsequent transactions as well as a cost reduction initiative maintaining the EBIDTA outlook for 2022.

The cost reductions will more precisely result in annualised savings of between DKK 10 and 11 million.

After revisiting the analysis, Nexcom predicts an EBIDTA outlook for 2022 to be between DKK -4 to -6 million, improving it from the previous DKK -5.7 to -7.7 million.
