## **Latour Industries withdraws the public offer to the shareholders of Allgon AB (publ)**

On 14 December 2020, Latour Industries AB<sup>1</sup> ("Latour Industries") announced a public offer to the shareholders of Allgon AB (publ) ("Allgon") at a price of SEK 10.75 in cash per share (the "Offer"). On 22 December 2020, Bure Equity AB (publ) announced a public offer to the shareholders of Allgon at a price of SEK 13.50 in cash per share (the "Competing Offer"). Based on accessible information and Investmentaktiebolaget Latour's (publ) long-term return on capital objectives, Latour Industries cannot motivate a higher offer to the shareholders of Allgon than the Competing Offer. The completion of the Offer is, among other things, conditional upon that no other party announcing an offer to acquire shares in Allgon on terms that are more favorable to the shareholders of Allgon than the Offer. As a result of the Competing Offer, the abovementioned condition cannot be satisfied and the non-satisfaction of such condition is of material importance to Latour Industries' acquisition of Allgon. Thus, Latour Industries has decided to withdraw the Offer.
