MilDef secures extension of framework agreement with Norwegian Defense Material Agency (NDMA)

MilDef has signed an extension of its framework agreement with the Norwegian Defense Material Agency (NDMA). The contract, originally signed in May 2020, has now been extended for an additional two years, from 2023 to 2025.

Under the terms of the agreement, MilDef will continue to provide its cutting-edge military IT solutions to support the Norwegian Defense Material Agency. The extension marks the first of two possible extensions, each spanning two years, as part of the original three-year agreement.

"While we are proud of our ongoing collaboration with the Norwegian Defense Material Agency, this contract extension reinforces our partnership and further strengthens our position as a reliable provider of military IT solutions. We remain committed to delivering the highest standards of excellence and innovation to support the agency's important mission, says Daniel Ljunggren, CEO MilDef Group.

MilDef looks forward to continuing its successful partnership with the Norwegian Defense Material Agency and is committed to providing state-of-the-art military IT solutions that meet the agency's evolving requirements.

The information was submitted for publication, through the agency of the contact persons set out below, at 10:00 CET on May 29, 2023.
