

## **(Additional information) Wicket Gaming acquires iGaming platform within Daily Fantasy Sports**

October 18, 2021, 11:15

**Wicket Gaming AB (“Wicket Gaming” or the “Company”) intends to supplement previous press release regarding the acquisition of the iGaming platform within Daily Fantasy Sports.**

The platform referred to is DFS King and has been acquired at a price significantly lower than the market value of an equivalent platform. The platform has been valued at SEK 3.6 million by an independent operator. The purchase price for the platform is paid in cash and the Company considers that the purchase price does not have an essential impact on the Company's financial position.

### **About Wicket Gaming**

*Wicket Gaming is a Swedish game development company founded in 2015. The Company's business concept is based on developing and distributing so-called free-to-play games within the sports genre. Since its foundation, the Company has been working to develop its first title, Cricket Manager, which is a cricket manager game for mobile devices. In the game, players are enabled to create and own their own cricket club and compete against other players around the globe. The goal is to create one of the world's most popular cricket manager games for mobile devices and to utilize the existing tech-platform to broaden and scale the game portfolio to include other sport manager games.*
