

## Wicket Gamings CFO leaves the company

Jan Grigo, who has been Wicket Gaming's CFO since 2021, is leaving the company as CFO. A process to recruit a replacement has been initiated.

Jan Grigo is leaving the company to take on new challenges. He will remain in his role until the end of June and the company will begin the recruitment of a replacement.

"It has been an incredibly fun and exciting time at Wicket Gaming. It has been a difficult decision to make as I have enjoyed it and am many experiences richer, but lately the thoughts of taking on a new challenge have emerged in me. I remain at the company's disposal until the end of June and thereafter also as an interim solution. My time at Wicket Gaming has been very developing", says Jan Grigo.

"Jan has been a highly appreciated colleague and an important part of Wicket Gaming's journey since 2021 and will be missed. It is of course sad but I have full respect for his decision and wish Jan the best of luck in the future. I also feel confident that he will stay with the company as an interim solution until we have time to get a replacement in place", says CEO Eric de Basso.

**About Wicket Gaming**

*Wicket Gaming is a Swedish gaming and digital education company consisting of two verticals, Games and EdTech. Within the Games vertical, the business idea is based on developing and distributing free-to-play games ("F2P") within mobile games for Android and iOS. Within EdTech, the Company focuses on developing products in genres such as Game-based Learning and Serious Games, it is in these areas that Wicket Gaming has identified the greatest synergies between the Company's two verticals.*
