

Change in Storskogen's Group Management

Regulatory information, 2025-11-05

Storskogen announces that Peter Ahlgren, Head of Business Area Services and member of Storskogen's management team, will transition to the role of Senior Advisor. A process to appoint his successor has been initiated, and Peter will remain in his current role until a successor is in place.

Peter joined Storskogen in 2014, as the first addition to the founding team, and has since then played a central role in developing the company. During his tenure, Storskogen has grown from just a handful of business units to an international group with annual sales of approximately SEK 33 billion and around 11,000 employees.

"Peter has been instrumental in building Storskogen from the ground up. His contribution to shaping our business areas and driving growth has been invaluable and I am pleased that he will continue to support the Group's development in an advisory capacity. On behalf of the entire company, I want to thank him for his dedication and leadership", says Christer Hansson, CEO of Storskogen.

"After 11 years in operational leadership, I feel this is the right time to hand over to someone else, for the next stage of Storskogen's growth. I am proud of what we have achieved together and look forward to continuing as a Senior Advisor and remaining a committed shareholder", says Peter Ahlgren.
