Sandvik wins major mining equipment order in Australia

Sandvik has received a major underground mining equipment order from Northern Star Resources Ltd (Northern Star), one of Australia's leading gold producers. The order is valued at approximately SEK 260 million and was booked in the fourth quarter of 2025.

The order consists of underground trucks and loaders, with deliveries expected to begin in the first quarter of 2026 and continue throughout the year.

"We are proud to partner with Northern Star on this significant investment, and we look forward to supporting productivity, safety and sustainability in their operations with the supply of our intelligent load and haul equipment," says Mats Eriksson, President of business area Mining at Sandvik.
