# Sandvik wins large underground equipment order in Mexico from mining contractor CoMinVi

Stockholm, July 3, 2026  
Sandvik AB

Sandvik has received a large underground equipment order from the Mexico-based mining contractor Constructora Minera Villagómez S.A. de C.V. (CoMinVi), for use at several of its contract sites across Mexico. The order is valued at around SEK 340 million and was booked in the second quarter.

The order includes trucks, loaders and drill rigs, with deliveries expected to begin during 2026 and continue through 2028.

“We are very pleased to deepen our longstanding partnership with CoMinVi, and are looking forward to continue supporting their operations with our high-performing solutions,” says Patrick Murphy, President of business area Mining at Sandvik.
