Careium is today one of the leading players in technology-enabled care in Sweden, Norway, the United Kingdom and the Netherlands. This position means that Careium is one of the leading players in Europe that provides technology-enabled care. Careium's innovative solutions improve the safety, quality of life and independence of seniors both inside and outside the home. For the care provider, the Company's solutions mean increased efficiency and the opportunity to invest resources in more valuable activities. Careium is one of the few players that can offer the entire chain with security alarms, sensors (fall sensors, smoke detectors, motion detectors, etc.), accessories (cameras, electronic locks, robotic medication assistive devices, etc.) and secure communication with alarm response: we offer a complete digital alarm chain. FNCA Sweden AB is appointed certified adviser.
