

Invitation to digital investor meeting

We at Careium are delighted to have you on board in tackling some of the greatest challenges of our time; Changing demographics, challenges to healthcare systems and the shift from analogue to digital. With Careium's position at the forefront of technology enabled care, the matching of the business capabilities and the needs of customers and societies alike sets us up for a strong future – A future we would like to approach together with you. With key changes to our management and board, we are particularly interested in engaging with the greater shareholder community.

With our new CEO, Christian Walén, and our new Chairwoman, Maria Khorsand, firmly in place alongside our long-standing CFO Mathias Carlsson, we would like to welcome you to a digital conversation focussed on Careium and its industry today and tomorrow. At Careium, we believe in transparent and close collaboration between management, board and shareholders – And we welcome your participation.

The digital session is held 25 May, 13:00-14:00

Agenda as follows:

- Introduction to Christian Walén (CEO), Maria Khorsand (Chairwoman) and Mathias Carlsson (CFO)
- Market introduction & introduction to the Careium business model
 - High-level strategy & market opportunity
 - Geographical focus & opportunities
 - Product portfolio and digital development
- Business performance update (Based on Q1 report, released 27 April)
- Opportunity for chat-based questions

The event is digital, and accessible via TEAMS LINK - [Click here to join the meeting](#) - Limited to 300 participants. Access is granted on a first-come-first-served basis.

As Careium is a listed company, please be aware of the inability for participating CEO, Chairwoman and CFO to disclose market-impacting information.

For more information, please contact:

Christian Walén, president and CEO, +46 (0) 739 09 59 65

Mathias Carlsson, CFO, +46 (0) 727 09 56 65

Careium is a leading player in technology enabled care in Europe. Careium's innovative solutions improve the safety, quality of life and independence of seniors both inside and outside the home. Careium provides its products and services to ~400,000 seniors in Sweden, Norway, the UK, Netherlands, Germany and France. Most of the seniors are connected to one of Careium's alarm receiving centers in Sweden, Norway and the United Kingdom where approximately 25,000 alarms are handled every day by one of our 600 employees in the alarm receiving center. FNCA Sweden AB is appointed certified adviser.
