Please note in particular the risk factors set out in Schedule 2 (Risk Factors)

1. Background

During the financial year 2024, the Issuer (and together with direct and indirect subsidiaries the "Group" or "Ativion") implemented certain steps in order to accelerate its business, including, but not limited to, a re-branding to "Ativion" and replacing its former management with a new team across all functions including appointments of Tobias Hartmann as CEO and Adrian Muniz as CFO. Since then, the Group's business has developed well and the Group is now looking to take advantage of new opportunities to further accelerate the Group's operations.

As part of this, the Issuer has evaluated a divestment of part of its business in order to combine its K12 business with another platform to potentially accelerate growth, increase profitability, and derisk the broader Issuer operations. To that end, the Issuer is evaluating various transactions including a divestment of a larger part of the business and has signed a non-binding letter of intent relating to the acquisition by a third party buyer of ContentKeeper and Impero Solutions, which may include all or some of the subsidiaries set out in the table below (the "**Relevant Subsidiaries**" and each a "**Relevant Subsidiary**") and/or any of the Relevant Subsidiary's assets (any divestment of a Relevant Subsidiary and/or any of the assets of a Relevant Subsidiary being referred to as a "**Transaction**").

Name	Jurisdiction
Impero Holdings Australia Pty Ltd	Australia
ContentKeeper Technologies Pty Ltd	Australia
ContentKeeper Technologies, LLC	Delaware, US
Impero Holdings Limited	England and Wales
Safeguarding Monitor Limited	England and Wales
Impero Developments Limited	England and Wales
Impero Trustee Limited	England and Wales
Impero Solutions Limited	England and Wales
Impero Solutions Inc.	Delaware, US
Impero International LTD	England and Wales

In order to implement a Transaction, the Issuer may require to undertake certain intra-group restructuring measures in order to effect a relevant Transaction (the "**Reorganisation**").

The Group is now seeking the Bondholders' approval to (i) waive the condition set out in Clause 13.7 (*Disposal of Assets*) and Clause 9.4 (*Mandatory partial redemption*) of the Terms and Conditions stipulating that the Issuer may only dispose a Material Group Company if the net proceeds from such disposal without undue delay are applied in partial repayment of the outstanding Bonds at the applicable call option amount and Clause 13.4 (*Nature of Business*) of the Terms and Conditions, in each case in relation to a Transaction only (the "**Disposal Waiver**"),

(ii) approve the release of the Transaction Security in relation to, or provided by, each relevant Relevant Subsidiary and the Guarantees provided by each relevant Relevant Subsidiary under the Guarantee and Adherence Agreement, in connection with a Reorganisation and a Transaction (the "**Release Approval**") and (iii) waive the Maintenance Covenant in respect of the Leverage Ratio only (for the avoidance of doubt, the covenant in Clause 12.1(a) in the Terms and Conditions in relation to the minimum GBP 750,000 Cash and Cash Equivalents of the Group shall remain effective) and as set out in Clause 12.1.(a) in the Terms and Conditions (together with the Disposal Waiver and the Release Approval, the "**Waivers**").

The Issuer has determined that a Transaction would not be for the benefit of the Group if the net proceeds are used for partial repayment of Bonds in accordance with the terms of the Terms and Conditions and has thus decided that it will not look to close a Transaction should the Bondholders not approve the request set out in this Written Procedure. The Issuer is seeking the Bondholders' approval to instead use 80 percent. of the cash proceeds (such cash proceeds from a Transaction shall not be less than SEK 250,000,000 (or the equivalent amount in any other currency) net of transaction costs and taxes)) from a Transaction to be used to buy back Bonds at a price equal to 70 percent. of the Nominal Amount (including accrued but unpaid interest), pursuant to a customary tender offer, which shall be announced separately (the "**Tender Offer**"), provided that if Bondholders do not tender sufficient Bonds at the relevant price for the Issuer to be able to apply 80 percent. of the net proceeds received from a Transaction, the Issuer shall be permitted to use such residual proceeds not used for the Tender Offer for general corporate purposes of the Group (including, but not limited to, repayments, redemptions, and repurchases of debt, capex expenditures and investments in Group Companies and other Persons in which the Group has invested in from time to time). The remaining net proceeds from a Transaction shall without restriction be used by the Group for general corporate purpose (including, but not limited to, repayments, redemptions, and repurchases of debt, capex expenditures and investments in Group Companies and other Persons in which the Group has invested in from time to time). Furthermore, any shares and/or other equity interests received by the Group in connection with a Transaction shall remain within the Group and may not be sold or otherwise be disposed of during a period of 24 months following a Transaction unless there is a transaction involving the received shares and/or other equity interests and where the shares and/or other equity interests received by the Group are exchanged for other shares and/or other equity interests.

The Issuer may, at its sole discretion, elect, if it wishes, to complete a Transaction regardless of the outcome of the Written Procedure.

The Issuer further retains the right to continue to pursue alternative strategic options for the Group and the broader business, regardless of the outcome of the Written Procedure. The Issuer hereby further informs that the Sponsor, being the shareholder of the Issuer, is consistently in discussion with potential buyers of the Group as a whole (including, but not limited to, receiving and/or entering into letters of intent (or similar) from time to time) and is consistently evaluating a potential exit from its investment in the Group. Any such exit may be made at any time (i.e. both within a short and after a longer period of time) as the Sponsor and the Issuer continue to evaluate its options. No binding agreement with respect to an exit has been signed and the Issuer will, in accordance with applicable law, make a public announcement by way of a press release announcing any such transaction (if any materialise). In light of the aforementioned, the Issuer is further seeking the Bondholders approval to amend the Terms and Conditions as set out in Section 2 (*Request*) to lower the notice period for any future written procedure to ten (10) Business Days for the purpose of assuring that it can engage the Bondholders more swiftly in order to not hold up any future potential transactions.

2. Request

Considering the background and rationale set out above, the Issuer kindly requests that the Bondholders consent to the following amendments and waivers of the Terms and Conditions, which shall take effect immediately unless otherwise stipulated in section 2.1 (*Conditions*) below (the "**Request**"):

- (a) to grant the Waivers; and
- (b) to amend and restate the Terms and Conditions as set out in full in Schedule 3 (*Changes to the Terms and Conditions*). For ease of reference, the proposed amendments to the Terms and Conditions include (but are not limited to):
 - (i) to shorten the time period which the Bondholder shall reply to a request pursuant to an written procedure to ten (10) Business Days (from fifteen (15) Business Days); and
 - (ii) that Bonds held by the Issuer may not be sold (including, for the avoidance of doubt, any Bonds purchased pursuant to the Tender Offer).

Bondholders shall review the full and completed amended and restated Terms and Conditions which are set out in Schedule 3 (*Changes to the Terms and Conditions*).

If the Request is approved in the Written Procedure, the Bondholders give the Agent the power to enter into all agreements and take all actions that the Agent deems necessary in order to implement the Request, including (but not limited to) to release any Transaction Security and Guarantees relating to a Relevant Subsidiary on the conditions set out in this Written Procedure (in accordance with the terms of the Security Documents and the Guarantee and Adherence Agreement).

2.1 Conditions

The Issuer agrees and acknowledges that the Disposal Waiver and the Release Waiver granted by Bondholders pursuant to this Written Procedure is subject to (i) a Transaction being carried out at fair market value and at arm's length terms, (ii) the Tender Offer being initiated no later than three (3) weeks after the completion of a Transaction and that the Issuer receives a no less than SEK 250,000,000 in cash proceeds (net of transaction costs and taxes) from the relevant Transaction (of which 80 per cent. of such net cash proceeds shall be used for buying back Bonds through the Tender Offer), (iii) a Reorganisation is completed only when a binding agreement has been signed and all conditions precedents for closing a Transaction has been, or will reasonably be, satisfied, other than the Reorganisation (if applicable) and the payment of the purchase price and (iv) any shares and/or other equity interests received by the Group in connection with a Transaction shall remain within the Group and may not be sold or otherwise be disposed of during a period of 24 months following a Transaction unless there is a transaction involving the received shares and/or other equity interests and where the shares and/or other equity interests received by the Group are exchanged for other shares and/or other equity interests. Furthermore, and provided that the Request is accepted, the Issuer shall, by way of a press release, inform the Bondholders when a Transaction has been completed.

For the avoidance of doubt, any net proceeds from a Transaction which are not used for a Tender Offer may without restriction be used by the Group for general corporate purpose (including, but not limited to, repayments, redemptions, and repurchases of debt, capex expenditures and investments in Group Companies and other Persons in which the Group has invested in from time to time). Further, and for the avoidance of doubt, if Bondholders do not tender sufficient Bonds

at the relevant price for the Issuer to be able to apply 80 percent of any net cash proceeds received from a Transaction, the Issuer shall be permitted to use such residual proceeds not used for the Tender Offer for general corporate purposes (including, but not limited to, repayments, redemptions, and repurchases of debt, capex expenditures and investments in Group Companies and other Persons in which the Group has invested in from time to time).

3. Consent

We kindly ask the Bondholders to confirm that the Bondholders approve the Request.

RISK FACTORS

Schedule 2

Risk factors deemed to be of importance for Impala Bondco plc (the "Issuer"), and its direct and in-direct subsidiaries (together with the Issuer the "Group" and each a "Group Company"), the Group's business and future development and risks relating to the written procedure for the Issuer's up to SEK 500,000,000 senior secured bonds with ISIN NO0011117145 (the "Bonds") (the "Written Procedure") and risks relating to the Bonds are described below. Unless defined otherwise in these risk factors, defined terms in these risk factors shall have the same meaning as in the terms and conditions of the Bonds (the "Terms and Conditions") or the Written Procedure (as applicable). The Issuer does not represent that the risks set out below in relation of holding any Bonds or of the Request are exhaustive.

Risk relating to a Transaction and the Waivers

The proposed divestment in relation to a Transaction (a "**Divestment**") may have a material impact on the Group's operations, financial condition, and future growth. While the Issuer intends to use part of the net proceeds for general corporate purposes (including, but not limited to, repayments, redemptions, and repurchases of debt, capex expenditures and investments in Group Companies and other Persons in which the Group has invested in from time to time), there is no guarantee that these will generate returns equivalent to or greater than the value of the divested business.

The Issuer is requesting that part of the net proceeds from the Transaction are to be used for general corporate purposes rather than used for partial repayment of the Bonds at the applicable call premium as currently required under the Terms and Conditions. There can be no assurance that the reinvestment of these proceeds will generate sufficient returns to support the Group's financial position or that it will improve the Group's ability to meet its future obligations under the Bonds. Further, there is a risk that the Transaction would weaken the Issuer's ability to make interest payments and/or to refinance Bonds at its maturity date.

Furthermore, if all or certain of the Divestments specified in the Request are carried out, the Group will have materially changed from its current structure, operations, and future growth potentials. There are no guarantees that any new structure, without any track record will be successful and could potentially result in the Issuer not being able to meet its outstanding obligations under the Bonds.

Impact of the divestment on the Group's future performance

Any Divestment may affect the Group's overall financial condition, operations, and strategic direction. There is a risk that the remaining business may not be able to compensate for the revenue or profitability which could have been generated by the relevant Subsidiaries, which may have an adverse effect on the Group's financial position, ability to repay the Bonds and/or make interest payments under the Bonds. Accordingly, a Divestment may also increase the risk of future defaults under the Terms and Conditions, which may have an adverse effect on the price of the Bonds and/or require the Issuer to request new waivers and/or amendments from the holders of

the Bonds which can be time-consuming for investors and the Issuer in addition to having an adverse effect on the Group.

Risk relating to Transaction Security and guarantees

In connection with a Divestment, certain Transaction Security and guarantee obligations are envisaged to be released and will thus have an adverse effect on the security package in relation to the Bonds. Although certain Transaction Security will remain in place, there are no assurances that the proceeds of any enforcement sale of such security assets would be sufficient to satisfy all amounts then owed to the Bondholders. There is a risk that the proceeds of any enforcement sale of the security assets will not be sufficient to satisfy all amounts owed to the Bondholders.

Although the Issuer's obligations towards the Bondholders under the Bonds to a limited extent will continue to be guaranteed by certain subsidiaries, there is a risk that any enforcement of claims under the guarantees would be insufficient to satisfy all amounts owed to the Bondholders at the time of enforcement. If the remaining guarantors were to guarantee any other obligations, there is a risk that guarantees granted in favour of the Bondholders would be impaired, possibly in a material manner. Any guarantees of the Issuer's obligations under the Bonds from the Issuer's direct and indirect subsidiaries are limited by corporate benefit and fraudulent or voidable transfer principles. If the Issuer were to be unable to make repayment under the Bonds, there is a risk that the Bondholders would find it difficult or impossible to recover the amounts owed to them under the Bonds, in part, because there is a risk that the guarantees granted in respect of the Bonds will be insufficient in respect of the Issuer's obligations under the Bonds in the event the Issuer becomes insolvent.

Risk relating to an exit and change of control

As specified in the notice to the Written Procedure, the Sponsor is consistently evaluating the possibility to exit its investment in the Group. Private equity funds, including the Sponsor, make investments with the objective of exiting the investment within a certain time frame. The shareholders may have interests which conflict with those of the holders of the Bonds including, but not limited to, pursuing acquisitions, divestitures, financings or other transactions that, in their judgment, could enhance the value of their equity investments although such transactions might involve risks to the Bondholders.

Furthermore, if a change of control event occurs, the Bondholders have a right of prepayment of the Bonds (put option). There is a risk that the Issuer does not have enough liquidity to repurchase the Bonds if the Bondholders use their right of prepayment which would have a significant negative effect on the Bondholders' rights under the Terms and Conditions and would consequently lead to a negative effect for the Group's financial position.

Execution and closing risks

The Transaction is subject to the execution of definitive agreements and the satisfaction of customary closing conditions. Delays, changes in terms, or failure to complete a Transaction could impact the Group's financial position and liquidity, as well as its ability to execute its strategic plans.

Dependence on the Bondholders' approval

If the Bondholders do not approve the Request, the Issuer has stated that it will not proceed with the Transaction. This may limit the Group's ability to take advantage of strategic opportunities and could impact its long-term business development.

- (e) If the right to accelerate the Bonds is based upon a decision of a court of law or a government authority, it is not necessary that the decision has become enforceable under law or that the period of appeal has expired in order for cause of acceleration to be deemed to exist.
