Dignitana CEO William Cronin to Speak at Aktiespararna in March and May

Dignitana Chief Executive Officer William Cronin will speak at two Aktiespararna investor events this spring – one in Stockholm and one in Malmö. Both programs include a 20-minute presentation and the opportunity to ask Mr. Cronin questions following his presentation.

[Aktiedagen Stockholm](#) is 19 March 2019 at 15:00 CET at Operaterrassen, Karl XII Square, Stockholm.

Aktiedagen Malmö is scheduled for 21 May 2019. Additional details for Malmö will be posted shortly.

The events are hosted by Aktiespararna, an independent organization working in the interest of private individuals who invest in stocks, mutual funds and other stock-related securities. Admission is free, but those who wish to attend must contact event@aktiespararna.se to register.

To access Dignitana's presentation live, please visit aktiespararna.se/tv/live at the scheduled time. The presentations will be posted the following day on www.dignitana.se

DigniCap Delta Update

FDA clearance is pending for DigniCap Delta, the next generation of The DigniCap Scalp Cooling System. Plans are progressing to launch the device in the United States and Europe as soon as all necessary regulatory clearances and approvals are received.

The DigniCap Delta provides significant improvements over the current DigniCap C3 model with a single patient unit for flexibility in tight spaces that is 54 percent smaller than the current unit. The intuitive interface provides up to 80 percent reduction in nursing time per patient infusion versus existing device, as well as other enhancements. DigniCap Delta also features a new single patient use cap system consisting of a flexible Cooling Wrap and an adjustable Thermal Cap.
