Correction: Incorrect MAR Classification in previous press release

Lund, Sweden – 12 April 2019 – Dignitana AB issues a correction in press release “Dignitana AB publishes the annual report for 2018.” The correction means that the press release was incorrectly classified as MAR and therefore contained the paragraph as follows:

“This information is such information that Dignitana AB (publ) is obliged to disclose in accordance with the EU Market Abuse Regulation. The information was provided through the above persons for publication at 08:00 (CET), on April 12, 2019.”

The press release should not have included this paragraph because it is not classified as MAR.
