Interim report for the second quarter of 2019 – change of date

ProfilGruppen changes the date for release of Interim Report for the second quarter of 2019 to Thursday 29, 2019, 14.00 CET. The reason is that the company changed ERP system in May. The implementation of the new ERP system was very successful and went according to plan.

The coming interim closing will be the first made in the new system, which results in a lot of extra work. Because of this we have chosen to postpone reporting until after the holiday season.
