PRESS RELEASE

Share repurchases in NAXS AB (publ)

NAXS AB (publ) ("NAXS") has, during the period 22 December – 23 December, repurchased a total of 3,726 own shares under the share repurchase program implemented by the Board of Directors in order to provide maximum flexibility in the Company's capital management, enable the return of capital to shareholders, adjust the Company's capital structure, use own shares as consideration in potential acquisitions, and counteract any discount to net asset value in the Company's share by reducing the capital and thereby creating additional value for shareholders.

The repurchase program, which NAXS announced on 24 November 2025, is being carried out in accordance with the EU Market Abuse Regulation (EU) No. 596/2014 ("MAR") and the Commission Delegated Regulation (EU) No. 2016/1052 (the "Safe Harbour Regulation").

During the period 22 December – 23 December, shares in NAXS were repurchased as follows:

Date	Aggregated daily volume (number of shares)	Weighted average price per day (SEK)	Transaction value per day (SEK)
2025-12-22	1 826	37,6177	68 690
2025-12-23	1 900	37,5914	71 424

All acquisitions were executed on Nasdaq Stockholm on behalf of NAXS by Pareto Securities AB, which makes its trading decisions regarding the timing of the share repurchases independently of NAXS. The complete transaction list is available on the Company's website. Following the above acquisitions, NAXS' holding of own shares amounted to 43,945 shares as of 23 December 2025. The total number of shares and votes in NAXS amounts to 11,077,585.

From 26 November through 23 December, a total of 43,945 shares has been repurchased under the program. In total, up to 553,879 shares may be repurchased.
