

HYON AS – Jan Frode Andersen appointed CFO

(Oslo, 21 February 2022) HYON AS (HYON, OSE: HYON), the provider of zero-emission hydrogen bunkering solutions, today announces the appointment of Jan Frode Andersen as Chief Financial Officer.

“We are pleased to announce Jan Frode as our new CFO, providing decades of experience and capacity to the HYON team as we are set to realize our vision of accelerating the energy transition in the maritime sector,” says Jørn Kristian Lindtvedt, Chief Executive Officer of HYON.

HYON has appointed Jan Frode Andersen as CFO effective 1 March 2022. Andersen comes from the position as investment manager at Saga Pure. Andersen holds a MSc from BI Norwegian Business School and an MBA from ESCP Business School.

Lars Christian Stugaard will resume to his position in Ferncliff and continue to provide services to HYON also after 1 March 2022.

About HYON AS | www.hyon.energy

HYON delivers fast and safe bunkering of hydrogen for ships. We make sure that hydrogen can be transferred from shore to ships, both as a stand-alone fueling solution and as an integrated solution combining production, storage and distribution on a barge. HYON was founded in 2017, is headquartered in Oslo, Norway and is backed by owners including Saga Pure, Norwegian Hydrogen and Nel. HYON is on a mission to accelerate the energy transition in the maritime sector, aiming to be the leading provider to bunkering solutions for hydrogen.
