

Exide Technologies and LIQUI MOLY Dynavolt Intact GP Team strengthen partnership with a new three-year agreement

- Exide and LIQUI MOLY Dynavolt Intact GP Team sign deal until the end of 2027 season
- Exide logo to appear on both Manuel González and Senna Aguis' 2025 Moto2 challengers
- Moto2 championship gets underway in Thailand on Sunday 2nd March

Gennevilliers, France (28/2/2025) – Exide Technologies (www.exidegroup.com) – Exide Technologies and the LIQUI MOLY Dynavolt Intact GP Team have extended their partnership in a three-year deal.

As a leading provider of innovative and sustainable battery storage solutions for automotive and industrial applications, Exide Technologies will support the LIQUI MOLY Dynavolt Intact GP Team in the Moto2 championship. The Exide brand logo will be prominent on both riders' bikes.

For many years, Exide Technologies and the LIQUI MOLY Dynavolt Intact GP Team have enjoyed a strong relationship, one built on shared values of performance and innovation. Now, Exide Technologies is thrilled to be back in the Moto2 paddock.

This Moto2 season is bound to be full of intrigue and excitement with a new LIQUI MOLY Dynavolt Intact GP Team rider lineup in Manuel González and Senna Aguis.

Spanish rider, González, brings a winning pedigree and experience to the LIQUI MOLY Dynavolt Intact GP Team, having earned a race win and finishing third in the rider standings in 2024. Meanwhile, his Australian team-mate, Aguis, showed great promise in his rookie season with the LIQUI MOLY Dynavolt Intact GP Team. In 2024, he claimed a maiden podium at his home Grand Prix at Phillip Island, and he will look to build on this experience this season.

They will take to the grid for the opening round of the season in Thailand at the Chang International Circuit on Sunday 2nd March.

LIQUI MOLY Dynavolt Intact GP Team founding member, Stefan Keckeisen, said: "We are thrilled to continue our longstanding partnership with Exide Technologies. We have enjoyed memorable moments together, and we look forward to creating many more in the seasons ahead."

Alain Lez, Senior Business Director of the Automotive Division at Exide Technologies, said: "We are excited to be partnering with the LIQUI MOLY Dynavolt Intact GP Team once more. MotoGP and its supporting championships impress both grandstand fans and broadcast audiences around the world. We look forward to supporting the team over the coming seasons and promoting the Exide brand together. We wish the team a successful season."

The sponsorship will bring attention to Exide's comprehensive Motorbike & Sport range. This includes Exide Li-Ion, GEL, AGM Ready, AGM and Conventional, each designed for different types of motorcycles and riding requirements.
