

Arc Consulting, part of Lyvia Group, Joins the Workday Sales Partner Program

September 10th, 2025: Arc Consulting, a company within Lyvia Group with over 18 years of experience in system implementations and business transformation, today announced it has signed a partnership agreement with Workday.

As a Workday Partner, Arc Consulting will play a key role in supporting growth in Poland and provide expertise in select global markets. With a long-standing track record of helping organisations optimise operations through technology, Arc Consulting will bring deep local insight and strong capabilities to Workday clients.

“Partnering with Workday marks an exciting step forward for us. Together, we’ll provide the market with a product that helps empower businesses to work smarter, move faster, and achieve more. Such transformations are a part of our company DNA and we look forward to being able to work side by side with Workday and Workday clients,” says Piotr Riccio, Director Global Workday Operations at Arc Consulting.

The partnership is built on a joint ambition to deliver innovative, customer-focused solutions that support long-term business success. This agreement aims to accelerate digital transformation and deliver measurable results for clients in Poland and internationally.

ABOUT ARC CONSULTING:

Arc Consulting is a Krakow-based consultancy with more than 18 years of experience in business transformation and system implementation. The company works with large organisations to streamline operations and improve efficiency through strategic use of technology. Arc Consulting is a part of Lyvia Group.

ABOUT LYVIA GROUP:

Lyvia is a European partner offering business-critical software and services. We develop and deliver software solutions and services that drive mission-critical functions throughout the entire value chain. We help our customers increase their operational efficiency, drive profitability, and generate growth, as well as remain competitive in an ever evolving digital landscape.
