

Bredband2

Nasdaq has decided on delisting of the shares in Bredband2; the last day for trading in the shares in Bredband2 will be on 23 February 2026

On 18 July 2025, Telia Company AB ("**Telia**"), announced a public offer (the "**Offer**") to the shareholders of Bredband2 i Skandinavien AB ("**Bredband2**"). On 2 February 2026, Telia announced that the Offer had been accepted to such extent that Telia will become the owner of 96,7 per cent of all shares in Bredband2 upon settlement of the Offer. Telia also informed the board of directors that Telia will initiate a compulsory buy-out of the shares in Bredband2 not already acquired by Telia and requested that the board of directors of Bredband2 applies for delisting of the shares in Bredband2 from Nasdaq First North Growth Market ("**First North**").

On 2 February 2026, the board of directors of Bredband2 applied for delisting of the shares in Bredband2 from First North. On 9 February 2026, Bredband2 supplemented the application with a share register evidencing that Telia holds 96.7 percent of the shares in Bredband2 and a copy of Telia's formal compulsory buy-out request. Today, NasdaqStockholm AB decided to delist the shares in Bredband2 from First North and announced that the last day for trading in the the shares in Bredband2 will be on 23 February 2026.

As Bredband2's shares will be delisted from First North, the board earlier decided not to publish the interim report for the financial year 2025.

About Bredband2 (briefly):

"A smooth and secure digital everyday life for everyone."

Bredband2 is an established provider of data and telecommunications as well as security solutions for both businesses and private individuals. As Sweden's third largest fiber provider, we ensure that half a million customers can access the opportunities of the internet in a safe and convenient way. For us, our relationship with our customers is about much more than delivering stable services. By providing access to what our customers need most, we create opportunities for them to communicate, work, learn, and be entertained in a secure way. And that is a given for us.

Bredband2 i Skandinavien AB (publ) was founded in 1989 and is listed on Nasdaq First North Growth Market, with Redeye AB as its Certified Adviser.
