Notice of Extraordinary General Meeting in Sinch AB (publ)

Sinch convenes an Extraordinary General Meeting to increase the flexibility in the company's capital allocation and thereby create long-term shareholder value.

The Board of Directors proposes that all 74,211,294 shares repurchased by the company, approximately 8.78 percent of the total number of shares, shall be cancelled. This will free up capacity for the Board to decide on continued repurchases under the existing mandate. The repurchase authorization, which entitles the Board of Directors to acquire own shares up to a maximum of 10 percent of the total number of shares in the company at any given time, is valid until the Annual General Meeting on May 21, 2026.

This provides the Board of Directors with the flexibility to continue using share repurchases as a strategic tool to create long-term shareholder value and improve the company's capital structure.

Below is the formal notice for the Extraordinary General Meeting:

Resolution on (A) reduction of the share capital through cancellation of repurchased shares and (B) increase of the share capital through bonus issue without issue of new shares (item 7)

Background and reasons

The Company has, following a resolution by the board of directors based on the authorisation granted by the 2025 annual general meeting, acquired 74,211,294 of its own shares and holds a total of 74,211,294 of its own shares as of 23 January 2026. The board of directors proposes that the shares held by the Company be cancelled in accordance with the proposals in items (A) – (B) below.

The authorisation for the board of directors to resolve on the acquisition of own shares granted by the 2025 annual general meeting may be exercised on one or more occasions before the 2026 annual general meeting and allows the acquisition of at most such number of shares that the Company's holding of own shares at any time does not exceed ten (10) per cent of all shares in the Company at such time. The Company's holding of own shares as of 23 January 2026 corresponds to approximately 8.78 per cent of all shares in the Company. By cancelling these shares, the board of directors is given the opportunity to continue to exercise the authorisation granted by the 2025 annual general meeting and acquire additional shares before the authorisation expires at the 2026 annual general meeting. Such acquisitions are conditional upon the board of directors finding it appropriate based on prevailing market conditions and a new board resolution to acquire additional own shares.

Item (A) – Resolution on reduction of the share capital through cancellation of repurchased shares

The board of directors proposes that the meeting resolves that the Company's share capital shall be reduced by SEK 742,112.94 through the cancellation of 74,211,294 shares held by the Company. The purpose of the reduction of the share capital is allocation to unrestricted equity. The shares shall be cancelled without consideration.

The reduction of the share capital can be implemented without authorisation from the Swedish Companies Registration Office or a court of general jurisdiction since the Company is simultaneously carrying out a bonus issue in accordance with item (B) below, meaning that neither the Company's restricted equity nor share capital decreases.

Item (B) – Resolution on increase of the share capital through bonus issue without issue of new shares

The board of directors proposes that the meeting resolves to increase the Company's share capital by SEK 742,112.94 through a bonus issue for the purpose of restoring the share capital to its original level following the completed reduction of the share capital in accordance with item (A) above. The amount by which the share capital is increased shall be transferred from the Company's unrestricted equity and no new shares shall be issued in connection with the increase of the share capital. Following the completed bonus issue, the Company's share capital will thus correspond to the share capital before the reduction in accordance with item (A) above.

Authorisation

The board of directors proposes that the board of directors, or a person appointed by the board of directors, shall be authorised to make such minor adjustments to this resolution in accordance with items (A) – (B) that may be required for registration with the Swedish Companies Registration Office and Euroclear Sweden AB.

Conditions

The board of directors' proposals under items (A) – (B) are conditional upon each other and shall be adopted as one resolution.

Majority requirements

For a valid resolution in accordance with this item 7, it is required that the resolution is supported by shareholders representing at least two-thirds of both the votes cast at the meeting and the shares represented at the meeting.

Documents pursuant to Chapter 20, Sections 13-14 and Chapter 12, Section 7 of the Swedish Companies Act and other documents which shall be made available prior to the extraordinary general meeting will be made available at the at the Company's offices at Lindhagensgatan 112, SE-112 51, Stockholm, Sweden, and on the Company's website (<https://investors.sinch.com>) not later than three weeks prior to the extraordinary general meeting in accordance with the requirements of

the Swedish Companies Act. The documents will be sent to shareholders who request it and who inform the Company of their mailing address. Such request can be sent to the contact details set out under the heading “*Attendance in person or by proxy*” above. The relevant documents will be presented at the extraordinary general meeting.
