

## **Thomas Linnard terminate his employment at Rabbalshede Kraft**

After several years as an employee and CEO of Rabbalshede Kraft AB (publ) the board announces that Thomas Linnard after a mutual decision chooses to terminate his employment.

Håkan Frick remains acting CEO until further notice.

*"Thomas has been instrumental in building the company from a small growth company to one of the larger players in renewable energy in Sweden. He has in a changing market situation been a major and essential part of taking the company to the position it has today. Now that Thomas chooses to terminate his employment, we thank him for his valuable contributions and at the same time, we wish Thomas the best of luck for the future. "*

For the Board, Håkan Frick

### ***This is Rabbalshede Kraft***

*Rabbalshede Kraft AB (publ) plans and establishes proprietary land-based wind farms, in collaboration with other players or for divestment whereby the Company is able to offer operating services. Rabbalshede Kraft was formed in 2005 and currently manages 141 wind turbines of which 71 turbines, in the eight wind farms, are in-house. The electricity produced from the Company's wind farms in operation is sold in the open electricity market, Nord Pool.
