Re-enablement of settlement for BRSC shares

Further to the announcement earlier today that a misallocation of securities in BlackRock Smaller Companies Trust plc/GB0006436108 (as part of the BlackRock Throgmorton Trust plc "Scheme of Reconstruction") had resulted in the disablement of the security while the misallocation was resolved, the Company confirms that all allocations have now been corrected across the relevant accounts and the Company's shares have been re-enabled for settlement.
