

## **DOF Group ASA – Two long-term RSV contracts in Brazil**

DOF Group ASA (“DOF”) is pleased to announce two new long-term contracts in Brazil.

Following the same competitive tender process that resulted in the previously announced contract award of Skandi Achiever on a 4-year charter as RSV, Skandi Carla and Geoholm have also been contracted on 4-year charters with Petrobras. Skandi Carla will operate with one work class ROV and subsea crane, while Geoholm will utilise its subsea crane and two work class ROVs on board. Both vessels are expected to commence their contracts in December 2025.

The two contracts have a combined value of more than USD 275 million.
