

DOF Group ASA – Long-term commitment for Skandi Inventor in the APAC region

DOF is pleased to announce the award of a long-term commitment from an international operator for the CSV Skandi Inventor in the APAC region. The contract duration is one year with further extension options, commencing January 2026. The commitment reinforces DOF's capability of delivering reliable subsea services in the region.

"This commitment marks a significant milestone in our ongoing operations in the APAC region and underscores DOF's capability to deliver high-performance subsea solutions." said Mons Aase, CEO DOF Group ASA. "Skandi Inventor's deployment will enhance operational efficiency and support our partners' long-term asset integrity goals in the region."

DOF looks forward to continuing our commitment to providing safe, efficient, and sustainable offshore operations in the APAC region.

The size of the contract is Substantial, which DOF defines as a contract with value between USD 25 – 50 million.
