

## Ryds Bilglas expands with third shopping mall location

**Ryds Bilglas, part of Cary Group, is proud to announce the opening of its newest workshop at Westfield Nacka Forum, outside of Stockholm. The new workshop becomes the company's third location in a shopping mall and its 189th workshop across Sweden.**

Press release 16 June 2026

Ryds Bilglas was the first company within the Cary Group family to establish workshops in shopping centres – a concept that has since been successfully adopted in both the UK and Belgium. The initiative supports Cary Group's strategy of being where its customers are, making vehicle glass services more convenient and accessible in everyday life.

Located on level -1 of the parking garage, just steps away from the mall entrances, the new workshop allows customers to combine a vehicle glass repair or replacement with shopping, dining, or other errands.

Westfield is one of the world's leading operators of retail destinations, and Nacka Forum is among Sweden's most visited shopping centres. The new workshop strengthens Ryds Bilglas' presence in the Stockholm region.

Ryds Bilglas opened its first shopping mall location at Mall of Scandinavia just outside Stockholm in 2023, receiving very positive customer feedback and strong demand. This was followed by the successful opening at Westfield Täby Centrum, also located outside of Stockholm. The new Nacka Forum workshop further strengthens the company's footprint in the Greater Stockholm area.

*"Our shopping mall workshops have proven highly popular among customers. The opening at Nacka Forum builds on the same successful concept – combining convenience and professional service in a way that fits seamlessly into customers' daily routines. This workshop will be an important addition to our Stockholm network and another great example of how we continue to evolve to meet our customers' needs,"* says Fredrik Karlsson, Managing Director, Ryds Bilglas.
