

Current trading update February 2026 and expected financial development 2026

JY Holding AB ("JumpYard") today publishes information on current trading performance and expected financial development for 2026, as part of the ongoing review of the ownership structure.

Financial development year-to-date 2026 (January-February)

- Total revenues of SEK 91.6m, up 13% compared to the corresponding period in 2025
- Adjusted EBITDA of SEK 21.7m, up 45% compared to the corresponding period in 2025

Expected financial development for full year 2026 for the existing site network

- Total revenues are expected to reach approximately SEK 540m
- Adjusted EBITDA margin is expected to amount to approximately 20%

Expected financial development for sites that are planned to open during 2026

- The three sites planned to open during 2026 are expected to contribute run-rate site EBITDA of SEK 40-50m

All figures refer to consolidated figures for JY Holding AB. The expected financial development assumes broadly stable market conditions, including consistent consumer demand and no material changes in macroeconomic factors.

The financial information stated above is indicative and does not constitute a guarantee of future results. Although the information reflects JumpYard's current assessments and expectations, it is subject to material uncertainties and external factors, including macroeconomic developments, consumer behavior, and competitive dynamics. These uncertainties may result in actual outcomes differing materially from current expectations.
