## **Visit Cybercom at the Mobile World Congress (MWC) in Barcelona**

**Cybercom is participating in the Mobile World Congress (MWC) in Barcelona, the world's most important international exhibition for mobile products and services.**

Cybercom will demonstrate at the exhibition how companies and organisations can benefit from the opportunities of the connected world through the latest technology in the Internet of Things.

Cybercom will also present its Customer Experience Management (CEM) 2.0 service. This is a solution that permits operators to manage and improve the customer experience in their mobile networks.

Please feel free to visit us in Hall 7 on March 2-5, in Barcelona (Fira Gran Via). Cybercom will have its own stand, N85, and will also be represented in the Business Sweden pavilion.
