BOARD APPOINTMENT ANNOUNCEMENT

MADS PETER ZACHO APPOINTED NEW CHAIR OF UNI-TANKERS' BOARD OF DIRECTORS

Mads Peter Zacho has been appointed new Chair of Uni-Tankers' Board of Directors.

He brings extensive experience from the Danish and international shipping industry and has worked across several maritime segments throughout his career, including gas, tankers, dry bulk, and maritime services. Today, he is CEO of Navigator Gas and has previously held roles as CEO of J. Lauritzen A/S and CFO of both TORM A/S and SVITZER A/S.

With Mads Peter Zacho as Chair, Uni-Tankers gains a highly experienced leader with strong commercial understanding, broad industry insight, and solid experience from operations, financing, and strategic development in international shipping.

Mads Peter Zacho also holds an MBA from IMD in Switzerland and a master's degree in economics from the University of Copenhagen.

About Uni-Tankers

Uni-Tankers is a leading tanker shipping company in the intermediate and small tanker segment. The fleet is one of the youngest in its core markets, comprising approximately 47 owned and chartered modern and flexible product and chemical tankers.

Uni-Tankers was founded in 1995 as a subsidiary of the Danish, family-owned United Shipping & Trading Company (USTC). The ship owning company has offices in Denmark, Turkey, France, Spain, and the US.
