The Offer is made in the United States pursuant to Section 14(e) of the U.S. Securities Exchange Act of 1934, as amended (the “**U.S. Exchange Act**”) and Regulation 14E thereunder, to the extent applicable, and otherwise in compliance with the disclosure and procedural requirements of Swedish law, including with respect to withdrawal rights, the Offer timetable, notices of extensions, announcements of results, settlement procedures (including as regards to the time when payment of the consideration is rendered) and waivers of conditions, which may be different from requirements or customary practices in relation to U.S. domestic tender offers. Holders of the shares of Abliva domiciled in the United States (the “**U.S. Holders**”) are encouraged to consult with their own advisors regarding the Offer.*

Abliva's financial statements and all financial information included herein, or any other documents relating to the Offer, have been or will be prepared in accordance with IFRS and may not be comparable to the financial statements or financial information of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. To the extent permissible under applicable law, rules or regulations, Pharming and its affiliates or its brokers and its brokers' affiliates (acting as agents for Pharming or its affiliates, as applicable) may from time to time and during the pendency of the Offer, and other than pursuant to the Offer, directly or indirectly purchase or arrange to purchase shares of Abliva outside the United States, or any securities that are convertible into, exchangeable for or exercisable for such shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices, and information about such purchases will be disclosed by means of a press release or other means reasonably calculated to inform U.S. Holders of such information, to the extent required by applicable law, rules or regulations. In addition, the financial advisors to Pharming may also engage in ordinary course trading activities in securities of Abliva, which may include purchases or arrangements to purchase such securities as long as such purchases or arrangements are in compliance with the applicable law.
