Changes in the number of own shares held by Aktia Bank Plc

Aktia Bank Plc has today, based on a decision made by the company's Board of Directors, divested a total of 143,823 own shares held by the company to approximately 500 persons. The shares have been transferred in accordance with the terms and conditions of the long-term AktiaUna share savings plan, as part of the company's short-term incentive programs, and as deferred remuneration from previous years based on the company's various incentive systems.

The share-based incentive scheme AktiaUna is directed to all Aktia employees, and the divestment pertains to the saving period 2024–2025.

The divestment of own shares is based on the authorisation by the Annual General Meeting of Shareholders held on 3 April 2025. After the above-mentioned divestments, a total of 37,343 shares remain in the company's possession.
