Volvo XC90 Excellence Featured at Upcoming Geneva Motor Show

XC90 Excellence Arrives in Canada Summer 2016

RICHMOND HILL, ON. (February 29th, 2016.) The all-new XC90 Excellence will be featured at the upcoming Geneva Motor Show, along with the all-new S90 and recently unveiled V90. The XC90 Excellence features extended leather-covered surfacing, quality upholstery and hand-crafted crystal glasses from Orrefors, the famous Swedish glass maker.

The superior comfort of the individual and adjustable rear seats, combined with a massage function and specially designed headrests, is further augmented with a refrigerator, two folding tables and cup holders with both heating and cooling options.

The XC90 Excellence is built on Volvo's modular Scalable Product Architecture (SPA) and comes with the award-winning T8 Twin Engine plug-in hybrid powertrain as standard. The XC90 Excellence can provide up to 410 horse power combined with impressive fuel efficiency.

"The XC90 Excellence offers a sublime and luxurious experience. It is our top-of-the-line XC90 offer and we see a lot of interest from our more affluent customers," said Björn Annwall. "The additional sound insulation, enhanced Bowers & Wilkins sound system and convenience of rear seat controls takes the XC90 Excellence to a new level of luxurious calm and comfort."

The XC90 Excellence will be available in Canada, summer 2016.
