PRICES AND SPECIFICATION DETAILS FOR ALL NEW VOLVO V70 AND VOLVO XC70

- All new V70 prices start from £26,495 OTR (2.5T SE)
- All new XC70 prices from £31,035 OTR (D5 SE, geartronic)
- Three luxury specification levels - SE, SE Sport and SE Lux
- Arriving in UK dealer showrooms in September, available to order now

Prices and full specification details are now available for the all new Volvo V70 and XC70 premium estate models. Prices range from £26,495 to £38,280 for the V70 models and from £31,035 to £36,200 for the Volvo XC70 range¹. Orders can be placed now ahead of their arrival in dealer showrooms in September, with first customer deliveries in October.

Premium standard specification levels

Standard features on the all new V70 and XC70 models include a unique 40/20/40 split folding rear seat configuration, load adaptive rear lights, folding steel load protection grille, 3D cargo load system, lockable load floor, grocery bag holder, 12V power outlet in the cargo area and roof rails.

The Volvo XC70 benefits from all the same standard features as the Volvo V70 and is then equipped with a number of unique XC features. This includes HDC (Hill Descent Control), AWD with Instant Traction, XC crossed aluminium trim and unique XC upholstery and colour choices. The exterior is differentiated by extended XC roof rails, tough XC body mouldings, skidplates and front lower cross-member.

SE, SE Sport and SE Lux

Three specification levels² are available, a highly specified entry level SE trim which includes full body coloured lower door and bumper mouldings, 17" Spartes alloy wheels (17" Sargas alloy wheels for XC70), Sundby Textile/T-tec upholstery (leather-faced for XC), cross brushed aluminium trim and an 8 speaker high performance sound system with AUX input. The SE Sport adds sports styling and handling enhancements such as speed dependent steering, rear spoiler, 18" alloys and ventilated leather upholstery. The SE Lux specification offers the ultimate luxury package with leather-faced upholstery, 17" alloys, power and heated driver and front passenger seats, Bi-Xenon headlamps and power tailgate with trap sensors.

The all new V70 is offered in 14 exterior colours and a choice of four interior colour palettes including a new Scandinavian-inspired Cranberry Red and Off Black leather-faced upholstery. To complement the interior themes a range of four inlays are available including a new Modern Wood trim with a natural finish. The all new XC70 offers a range of 10 different exterior colours and three different interior colour environments. All XCs benefit from new cross-stitched seams as well as the four V70 inlays customers can also choose a unique XC Crossed aluminium trim.

Volvo's popular option packages are also available, including the Communications pack, Active Bi-Xenon pack, Winter pack and Family pack, which includes the new dual stage integrated rear seat child booster cushions. Similarly, a range of estate-friendly accessories are available including a rear parking camera, roof rail load systems and towbars, 3 in 1 cargo dividers and an internal bike carrier.

Performance and technical specifications

The all new Volvo V70 is offered with a choice of three petrol engines and two diesel engines³.

Manual transmission is standard except on the 3.2 and T6 AWD petrol models which are offered in the geartronic guise only. Capable of a top speed of 152mph, the all-new 285PS T6 AWD model also offers a brisk 0 to 60 performance of 6.7 seconds while the frugal 185PS D5 model delivers 43.5 mpg on a combined cycle and CO₂ emissions of 172g/km.

The all new Volvo XC70 is available with a choice of either D5 diesel (manual or geartronic) or 3.2 petrol (geartronic only)⁴. The popular D5 diesel engine generates 400Nm torque at 200-2750rpm and emits 193g/km.

With competitive pricing, comprehensive specification levels and class-leading standard features, Volvo expects to sell around 7,000 V70 and 2,500 XC70 models in 2008.
